Deposits:

- Deposits are 50% of the total project rate and **must** be paid upfront to schedule. No exceptions. For example, if your project is \$500, the required deposit is \$250. TimeStop Digital accepts cash, PayPal, Venmo, Cash App, and Zelle. **DEPOSITS ARE NON-REFUNDABLE** and cannot be transferred/gifted toward another client's project. **NO EXCEPTIONS.**
- \$25 per hour for studio photography without a TimeStop Digital photographer.

- \$50 per hour for studio photography with a TimeStop Digital photographer.
- \$40 per hour for off-site photoshoots with a TimeStop Digital photographer.
- 50% of the Wedding Project's total cost.

Scheduling:

- Projects begin and end at the scheduled time. No exceptions. For example, if the shoot is scheduled from 2:00 to 6:00 PM and the client arrives at 2:45 PM, the session begins at 2:00 PM and ends at 6 PM **whether you are present or not.**
- Time cannot be "cut-short" and applied to another day, or left unpaid. TimeStop Digital has blocked off a set number of hours for the project. Therefore, the client will be charged for those hours **whether they are present or not.** The entire session is charged if the client leaves before the session ends. TimeStop Digital offers advanced editing such as teeth whitening, iris-enhancing, face softening, and blemish removal so our clients' money will still go to good use and not just be "thrown away."
- Our Photographers are compensated for their time just like any other profession. The photographers are employees of TimeStop Digital, they are not business partners. Therefore, they must be paid for their scheduled time. For example, if a client has a session scheduled from 2:00 to 6:00 PM and leaves halfway through the session, the entire session must be paid for **whether they are present or not.**

Rescheduling:

- A rescheduling fee of 50% of the project's total is charged for any circumstance which will be taken from deposit (except inclement weather) in Oklahoma, Texas, Arkansas, Kansas, or Missouri. Rescheduling fees outside these areas are quoted on a project-by-project basis based on flight/hotel arrangements. This policy is in place to discourage rescheduling and loss of time and revenue on TimeStop Digital's part.

Every time a client reschedules, TimeStop Digital loses revenue and also loses out on time that could be spent with other clients. Thank you for understanding.

Miscellaneous:

- Any violence and/or disrespect to the studio space or photographer/videographer will result in a permanent ban from TimeStop Digital, loss of deposit, and if needed, police interaction.
- Absolutely no illegal firearms allowed on the premises.
- Absolutely no drugs allowed on the premises.
- **Marijuana, medical or otherwise, is prohibited from being consumed or carried anywhere on the premises. This includes the parking lot, behind the building, or inside a privately owned vehicle on the premises. Our lease agreement has strict guidelines regarding the use of marijuana on the property. Cardholder or not, TimeStop Digital will not risk eviction, therefore, please consume prior to arriving.**
- If an individual is over 21, alcohol will be allowed but not supplied by TimeStop Digital.
